5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.

DISCLAIMER: The participating Breed Societies, their representatives, judges, inspectors & stewards, Melton Mowbray Market and the steering committee are acting in good faith on behalf of participating vendors, and accept no responsibility or liability for any death, accident or injury to people, animals or property at the event. Vendors and purchasers are responsible for their animals at all times.

CATALOGUE: The catalogue has been prepared in good faith from the information supplied by vendors & breed societies. Grassroots Systems Ltd, Melton Mowbray Market Auctioneers and the Breed Societies are not responsible for its accuracy. It is the responsibility of the vendor to ensure it is correct and that any anomalies or errors are announced before the sale of any lots.

PARTICIPATING BREEDS: Entries have only been accepted from members of participating Breed Societies and for animals registered or eligible for registration in their flock books.

ORDER OF SALE: Strictly in catalogue order with the exception of Breed champions in some breeds. Please see Breed Society details. Please note sales are conducted simultaneously.

SOCIETY TRANSFER FEES AND LEVIES: Societies transfer fees and sale levies will be deducted at the usual rate. Please consult your respective breed society.

CATTLE & PIGS: Please see separate catalogue or contact the Market Office on 01664 562971

STATUTORY REGULATIONS: The event will be carried out in full compliance with the DEFRA and other statutory regulations.

IDENTIFICATION: All entries must be tagged in accordance with current DEFRA regulations. Tag numbers must correspond with numbers on pedigree certificates and in the catalogue. Any animal whose ear tag does not match that printed in the catalogue will be rejected from the event.

RETAGS: Must be reported to the Auctioneers Office.

SUBSTITUTES: Any that do occur by special arrangement **MUST** be reported to the auctioneers, so that the correct animals are transferred and recorded in the market movement records.

NUMBERING: Vendors will be provided with lot number neck tags on arrival. Please ensure these are put onto the correct sheep on arrival. The neck tags will be collected from the vendors as the sheep leave.

WEANING: All lots must have been weaned at least 2 weeks prior to the event and in the case of suckling ewes, must have been properly dried off.

PENNING: All animals must be penned in the space allocated. Vendors are always solely responsible for and in charge of their stock whilst on the premises.

MV ACCREDITED & SCRAPIE MONITORED: Provision will be made for MV Accredited and scrapie monitored sheep which will be sold at the start of the sale. Vendors should ensure all the relevant certification is brought on the day. It is the responsibility of the owner to ensure they follow the plans laid out in the market to safeguard the status of their livestock, which remains their responsibility at all times. Hands should be washed prior to entering the Heath Scheme areas.

SELLING ORDER: Females will be sold in their pens 'off the boards' and may be offered in groups or as individuals. Rams will be sold individually in pens in catalogue order. Vendors are encouraged to consider selling females in pairs or small matched groups.

HEALTH SCHEME SELLING ORDER: Because of the restrictions imposed by the regulations concerning Health Scheme Flocks, it has been necessary to pen and sell animals in these high health categories together. We have tried to make the catalogue as clear as possible and have included a plan.

ANIMAL HEALTH: Vendors will be expected to ensure that their animals are in good health and, to the best of their knowledge free from infectious or contagious disease. The entry form includes a signed declaration to this effect and entry to the sale therefore carries a warranty of soundness from the vendor. In the case of sheep this includes a warranty in respect of mouth, udder, testicles and that female sheep over 2 years have bred a lamb.

BREED INSPECTION: Some Breed Societies will carry out breed inspections, please see each breed section for details. Breed Society inspections do not constitute any form of guarantee or warranty. Purchasers should inspect animals themselves to ensure they are suitable, prior to purchase.

STOCK REJECTED ON WELFARE GROUNDS: A quarantine area will be made available but rejected stock should be removed from the market as soon as possible.

TRANSPORTATION: All livestock must be transported in vehicles or trailers which comply with the law. There will be washing out facilities at the market and will be open from 8.00am-5pm on Friday and Saturday. All livestock must travel with the correct licenses. If in doubt, please contact an Animal Health Officer at your local DEFRA offices.

ANIMAL TRANSIT: Animals in transit and not entered into the event, will be strictly prohibited. Swapping animals in the car park is STRICTLY PROHIBITED and is ILLEGAL.

HAY & STRAW: A limited amount of straw will be provided. Vendors must supply their own hay, additional straw and buckets.

ORDER OF SALE: Animals will be sold strictly in catalogue order in breed sections with all sheep being sold off the boards. Auctioneers will be selling simultaneously. It is the responsibility of the vendor to ensure their animals are presented for sale at the correct time. Rams will be sold individually in pens as per catalogue.

DOGS: Dogs will not be permitted in the livestock areas.

Reserves and Minimum Upsets Notes for Buyers and Seller:

A Minimum Upset - is the minimum price, set by the Breed Societies, below which animals cannot be sold.

If your breed has a Minimum Upset, it will be published at the beginning of the breed section.

Reserve Prices - All vendors are entitled to place a reserve on their animals. A reserve is the price below which the seller is not prepared to sell.

The Reserve acts like a bid, so the auctioneers can 'run' a single bidder up to that reserve price.

Auctioneers cannot 'run' a single bidder if there is no reserve.

How to place a reserve - Sellers should place the reserve with the auctioneers before the sale. Clearly write the lot number and the price in Guineas (£1.05), below which you will not sell, and hand it to the auctioneer before they start selling your sheep. The sale will be noisy so do not attempt to give verbal instructions.

Groups - Groups of ewes are sold at a price per sheep, regardless of the size of the group.

Private Sales – If your sheep does not sell under the hammer, but someone offers to buy it after the sale, you are permitted to do this. However, you **MUST** put the sale through the auctioneer's office. Animal movement records to and from markets are strictly controlled and monitored. It also means that the market collects the funds and passes them to you safely. Animals sold in this way are not included in the breed averages and are not subject to Minimum Upset price.

BIOSECURITY NOTICE:

Please read and observe the following:

Excessive dirty vehicles will not be allowed entry, therefore ensure vehicle is clean before arrival. All vehicles transporting livestock will be subject to a documentation check before entry to market site.

The Society's Official Breed Show and Sale

Vendors must be members of The Soay and Boreray Sheep Society

There will be a breed inspection of all animals. Animals failing the inspection will not be allowed to enter the show or be sold through the auction

No more than two males to be entered per breed, per vendor

We are not setting upset prices this year, but it is recommended that you set your own reserve prices

If it's your first time buying or selling at a market, Lyn Arrowsmith would be happy to chat and advise. She will be at the show and sale on both days. Our official breeds' show and sale is a great opportunity to buy unrelated stock and meet other breeders. You can help both our breeds by buying registered stock and continuing to register their progeny in the future.

Trophies: Babylun Perpetual for Best of Breed Pearl Plate for Best Opposite Sex Tucker Trophy for Best Soay Lamb Rosettes will be awarded	Trophy: Bryser Plate for Best of Breed Glaven Cup for Best Opposite Sex Sunbeck Trophy for Best Boreray Lamb Rosettes will be awarded
